From the classroom

Come and see the wonderful display in our office foyer. 4/6R are learning about living things and how they change and grow. The sunflowers really brighten up the foyer.

4B are learning about religions of the world and this week have studied the Hindu festival of Diwali. They have assembled a rangoli, made from coloured rice, at the office and classroom doors to encourage wealth to flow in.

Well done to Karina for an outstanding project on the solar system.
