

On The Grapevine

A quality education in a caring, innovative environment

November 2015 (Issue 1)

Do Not Forget, Australia

What an amazing and moving performance to honour and remember the fallen and those who have served our country and worn our nation's uniform over the past one hundred years.

We will not forget.

I would like to acknowledge and thank Mrs Lesley Coker for her dedication and commitment to producing this special event.

Special mention for Miss Jess O'Flaherty as our sound engineer, Mrs Helen Mansfield and Ms Dagmar Krautloher for working behind the scenes and to all the wonderful staff for their support, without whom this would not have been possible.

Door takings of over \$270 will be donated to Legacy.

Skoolbag

The skoolbag app will soon be available for our parents to download for free to receive immediate updates and messages and alerts! Staff is currently undergoing training in effective use and instructions on how to download this app will be sent home soon.

Parent on-line Payment coming in December

A Payment tab will be added to our website shortly. Student, item for payment and credit card details can be entered for a safe and convenient method of payment. More info later.

In the classroom

The students of 2H have been learning about the importance and meaning of Remembrance Day. Here are some of the things we have learnt.

Remembrance Day is on the 11th day of the 11th month. This is the date when the war stopped. Reuban

We bow our heads and remember the people in our armed services. Zoey

We respect all the soldiers who have passed away. Senudi

We have a minute's silence to remember the soldiers who sacrificed their lives for us. River

And from Mahdi in Year 1: *Remembrance Day is held on the 11th of November to remember the soldiers that died. Remembrance Day is sad and important. It is very sad because soldiers died.*

School plan Update

SD 1 Engaged and Independent Learners, SD2 Quality Teaching and Leadership

Teachers have been focussing on specific goals for student engagement and reflecting on current practice. Teachers have presented and discussed the evidence of impact on student outcomes because of changes they are trialling in their classroom.

Please take the time to talk to your children about the exciting things happening in their classrooms and feel welcome to visit.
