# PRINCIPAL'S REPORT

## Open Day Review

What a brilliant day we had at Open Day on Wednesday to celebrate Public Education. Thank you to all parents, family and friends who made the effort to join us. Everyone I spoke to was very impressed with the classwork and the musical and dance presentations - well done to all! There were also

many comments made about how important Multicultural Education and recognition is, which I believe we do an excellent job with. It was also fantastic having our preschool students join us for the events - we are so lucky to be a P-6 school.

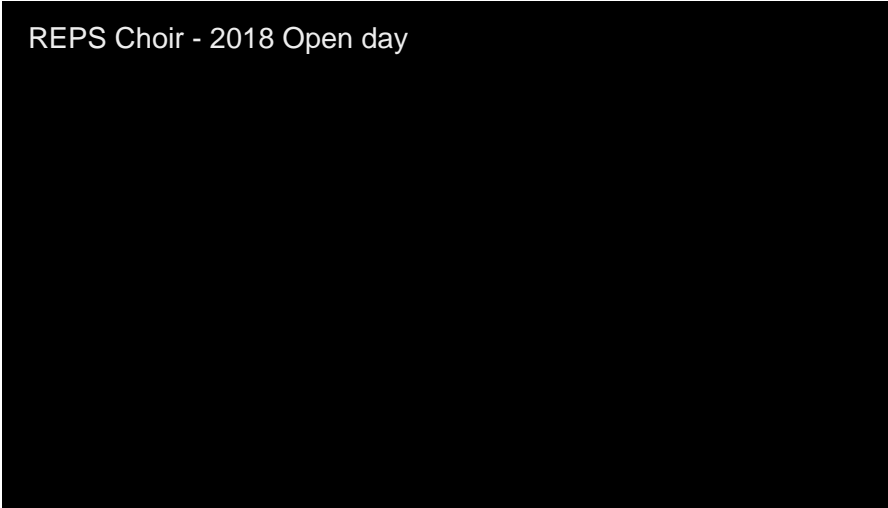

A big thanks to all the planning team from the day – Miss Monardo, Ms Oliver and Mrs Chow; Mrs Brown and Ms Krautloher with the book fair; and Miss Monardo, Miss Butler and all the parent helpers with the bake sale.

I would also like to take this opportunity to acknowledge the amazing work done in classrooms across all Key Learning Areas. I feel very privileged to be principal of a school with such wonderful teachers and support staff, who are so dedicated. I am so very proud to be associated with a school where everyone makes such an effort to promote great values and provide every opportunity possible for our students. That is what public education is all about, and at REPS we do it so very well.

Athletics Record Broken

At our Athletics Carnival this term, we had some amazing competitors. Caroline from Class Spain competed in the Junior Girls 800m race, not only winning the race, but breaking the school record. Previously completed in 3:15.56 in 2014 by Danielle Matthews, Caroline completed the race in 3:

07.94. Well done to Caroline for that incredible result!

## Dress as a Farmer Day

Our debating season has drawn to an end with our last two debates taking place last Monday. Congratulations to one of our debate team who competed yesterday. A big congratulations to all debaters who participated this year. You have all grown and developed your debating skills so very much. Also, thanks to Miss Splarn and Mrs Gibbs for all the amazing work you put into our debating teams. Everyone should be very proud.

Gardening Club

We have had some great mornings for gardening with Margaret and Mrs Brown over the past fortnight. Great work, boys! If you want to get involved, the Gardening Club meets every Wednesday morning at 8:30am.

Science

In Week 2, some of our Stage 3 students had the opportunity to attend Cumberland HS for their 2018 Interactive Science Experience. They had great time learning about energy and light in a practical and collaborative setting. They will be participating in this program every Wednesday (excluding Week 6) for the rest of the term. What a great initiative by Cumberland High.

Leadership Day

Also in Week 2, we had eight of our leaders attend a Student Leadership Day at Burnside PS. They joined with school leaders from our community of schools to work together in a creative and collaborative manner.

Interrelate

We have been invited by Ermington West Public School to join the Interrelate Family programs to be held in their school hall on Wednesday night 5 September. These are very informative programs that parents, carers and students are strongly encouraged to attend. Information will be sent out to Primary students next week.

## MEET THE TEACHER

I would like to take this opportunity to thank the Rydalmere East Public School community for the very warm welcome to your school. For those of you that I haven't had the opportunity to meet, my name is Justin Bale and I will be filling the position of Relieving Primary Assistant Principal for the remainder of 2018. I have worked in the field of education for the past 16 years, across a range of primary and secondary settings, and I am very passionate about ensuring that school is a happy and safe environment for all students. I am looking forward to working with all students across the school community to help achieve this and ensure that everyone has the opportunity to grow as both learners and individuals.

Away from school, I am a father of two, and a long suffering Penrith Panthers fan. I play soccer (albeit, not very well) on the weekends and follow the Wanderers and Liverpool FC. In my spare time, I like to read or watch a good movie. I am looking forward to getting to know all of the families here at REPS and hope to add to the wonderful programs that support the students in our school.

Hi Everyone

Welcome back for Term 3! I hope that you all had a wonderful holiday break.

Also, let me know via a quick email if you require another copy.

We've been having a lot of fun at Defence Club over the past couple of weeks and the sessions have been well attended. The children have been enjoying colouring in activities, whilst we all chat. You can see some of our great work on the wall in the hall.
